

**CFRW Northern Division**  
**“Circle of Honor”**  
**Membership Program**

We all know Northern Division is the best Division in CFRW. Your commitment shows that you are the leader we need to take us forward now and in the future. You and Northern Division deserve the best and that is the Northern Division **Circle of Honor**. The **Circle of Honor** program provides the following recognition for an annual contribution of \$75.00.

- \*Identifying **Circle of Honor** ribbon on your name badge
- \*Reserved preferred seating at conferences and conventions
- \*Private **Circle of Honor** reception once per conference with a key note speaker

The **Circle of Honor** members will be recognized as goodwill ambassadors making first time conference attendees and lone participants feel welcome and included.

We now have an **Associate Membership** for spouses or significant others for an annual contribution of \$25.00 which allows you to attend the private reception.

Contributions from this special support group will help fund expanded Northern Division outreach efforts and help lay the foundation for future Republican victories.

Simply fill out the enrollment form from our website at [www.cfrwnd.org](http://www.cfrwnd.org) and send the form(s) and your contribution to Sandy Pope, Circle of Honor Chair today and enjoy your **Circle of Honor** status. Forms will be available at the Convention.

Thank you for your continuing support!
