Dear CFRW Northern Division Executive Committee Members and Northern Division Club Presidents,

Congratulations and a huge thank you for all your efforts leading up to the very successful June Primaries! I am so proud of all you have accomplished and am really looking forward to our ability to impact the November Election in a big way.

We are excited to share the attached information about our upcoming 2018 CFRW Fall Board of Directors Meeting and Conference to be held at the Bakersfield Marriott at the Convention Center September 28-30, 2018.

CFRW President Nam-Yong Horn, Conference Chair Betty Scheidt and Co-Chair Debora Moore are putting together an exciting program including requested workshops, speakers and a special Vote Republican Rally that is sure to be noteworthy! They know that some clubs do not meet during the summer and wanted to be sure you knew about the early conference registration and hotel rate discounts. They will be sending out a complete Call to Conference Package July 28, 2018, and posting links on the website in the coming days, but wanted you to have this information in advance of the busy summer months.

If your club is not already supporting the Ambassador Program, please consider doing so. We can all agree that the analysis, communication and assistance of our fabulous CFRW Analyst Allison Olson and our Data Center Manager Mariann Raia are part of what enables us to be so successful in our election activities, so please help support this critical program by using the attached forms.

I hope you will join us in what is sure to be a great CFRW Fall Conference!

XOXO

Dottie
